

## **Give Me You**

**Song by Shana Wilson**

### **Lyrics**

Give me you  
Everything else can wait  
Give me you  
I hope I'm not too late  
Lord, give me you  
Lord, give me you  
Lord, give me you  
Lord, give me you  
Give me you  
Everything else can wait  
Lord, give me you  
I hope I'm not too late  
Lord, give me you  
Lord, give me you  
Lord, give me you  
Lord, give me you  
'Cause it's me, oh Lord  
I'm on my knees  
Crying out to you  
It's me, oh Lord  
I'm on my knees  
So, give me you  
Give me you  
Come on say

Give me you

Give me you

Everything else can wait (everything else can wait)

Give me you (give me you)

I hope I'm not too late (I hope I'm not too late)

Lord, give me you (Lord, give me you)

Lord, give me you (Lord, give me you)

Lord, give me you (Lord, give me you)

Oh Lord, give me you (Lord, give me you)

Come on sing it again

Say, "Give me you"

Give me you

Everything else can wait (everything else can wait)

Give me you (give me you)

I hope I'm not too late (I hope I'm not too late)

Lord, give me you (Lord, give me you)

Lord, give me you (Lord, give me you)

Lord, give me you (Lord, give me you)

Lord, give me you (Lord, give me you)

Give me you

Everything else can wait (everything else can wait)

Lord, give me you (give me you)

I hope I'm not too late (I hope I'm not too late)

I hope I'm not too late (I hope I'm not too late)

I hope I'm not too late (I hope I'm not too late)

I hope I'm not too late (I hope I'm not too late)

I hope it's not too late (I hope I'm not too late)

Say Lord, give me you (Lord, give me you)

Lord, give me you (Lord, give me you)

Lord, give me you (Lord, give me you)

Lord, give me you (Lord, give me you)

Lord, give me you (Lord, give me you)

Lord, give me you (Lord, give me you)

Lord, give me you (Lord, give me you)

Lord, give me you (Lord, give me you)

Come on sing it

Sing, "It's me, oh Lord"

It's me, oh Lord

I'm on my knees

Crying out to you

It's me, oh Lord

It's me, oh Lord

I'm on my knees

So, give me you (so, give me you)

Give me you (give me you)

Come on sing it say

Say, "It's me, oh Lord"

It's me, oh Lord

I'm on my knees

Crying out to you

It's me, oh Lord

It's me, oh Lord

I'm on my knees

Give me you

Give me you

Give me you

Everything else must wait

Give me you

I just hope I'm not too late
