

How Can You Not

Song by Leanna Crawford

Lyrics

I see the sun rise in the morning
And a million stars at night
I hear the birds, they can't stop singing hallelujah
I see His goodness when I fall down
And it's grace that picks me up
Every day, I can't stop singing hallelujah
How can you not see God
In every little thing, in every little moment?
How can you not feel loved?
How can you not? How can you not?
'Cause He's in the middle of
Every little thing and every little moment
How can you not see God?
How can you not? How can you not?
I see the sunset and I wonder
If He paints it just for me
Nobody else could make a world so beautiful
How could I question His love when it's everywhere I go
Wherever I look, I find another miracle
How can you not see God
In every little thing, in every little moment?
How can you not feel loved?
How can you not? How can you not?
'Cause He's in the middle of
Every little thing and every little moment

How can you not see God?
How can you not? How can you not?
Everything is evidence (ooh-ooh)
Showing me that You exist (oh-oh)
All creation singing hallelujah
Everything is evidence (oh, everything)
Showing me that You exist (He's God)
All creation singing hallelujah
How can you not see God
In every little thing, in every little moment?
How can you not feel loved? Hmm-mm
'Cause He's in the middle of
Every little thing and every little moment
How can you not see God?
How can you not? How can you not?
Oh, how can you not see God (everything is evidence)
In every little thing, in every little moment? (Showing me that You exist)
How can you not feel loved? (All creation singing)
How can you not? How can you not? (Hallelujah)
'Cause He's in the middle of (everything is evidence)
Every little thing and every little moment (showing me that You exist)
How can you not see God? (All creation singing)
How can you not? How can you not?
