

Fill Me Up

Song by Tasha Cobbs Leonard

Lyrics

Come on, let the sound of worship be released from your lips tonight

Come on, raise it now

Oh, that's good y'all, raise it, raise it

You provide the fire

I'll provide the sacrifice

You provide the spirit

And I will open up inside

You provide the fire

I'll provide the sacrifice

You provide the spirit

I will open up inside

Fill me up God

Fill me up God

Fill me up God

Fill me up

Fill me up God

Fill me up God

Fill me up God

Fill me up

We need more of you, yeah

You provide the fire (come one, you say it, I'll provide the sacrifice)

I'll provide the sacrifice (you gotta tell him, say, "You provide the spirit")

You provide the spirit (I will, I will)

I will open up inside (you gotta tell him, "You provide the fire")

You provide the fire (I will be the sacrifice)

I'll provide the sacrifice (somebody tell him, "You provide the spirit")

You provide the spirit (I really need your flesh, Lord, tonight)

I will open up inside

Fill me up God

Fill me up God

Fill me up God

Fill me up

Fill me up God

Fill me up God

Fill me up God

Fill me up (lift your heads and say it)

You provide, you provide the fire (I'll provide the sacrifice)

I'll provide the sacrifice (I am empty before you, Lord)

You provide the spirit (and I will)

I will open up inside (every voice raising loud again, say, "You provide the fire")

You provide the fire (I will be the sacrifice)

I'll provide the sacrifice (that's what I am, say, "You provide the spirit")

You provide the spirit (I will)

I will open up inside (say, "Fill me")

Fill me up God (fill me up God)

Fill me up God (fill me up God)

Fill me up God (fill me up God)

Fill me up (fill me up God)

Fill me up God (somebody ask him)

Fill me up God (I need a fresh anointing)

Fill me up God (fill me up God)

Fill me up (fill me up)

Fill me up God

Fill me up God

Fill me up God (somebody ask him to fill you)

Fill me up (that's it somebody ask him, fill me again)

Fill me up God (somebody say, "Fill me again")

Fill me up God (fill me again)

Fill me up God (come on, somebody ask him to fill me again)

Fill me up (I need more of you, I need more of you)

I've been running on empty

I need you to feel me again

We cry out for more

We cry out for more

More of your spirit is what we need, more of your anointing, more of your glory, fill me

Fill me up God (fill me up God)

Fill me up God (fill me up God)

Fill me (that's what I really want)
